How do you learn best?

What's important to your learning?

# Critical Thinking Skills

## Critical Thinking and Problem Solving

- analyze situations
- determine most important areas
- reach conclusions which go beyond the obvious

## What's Happening?

Gather the basic information and begin to think of questions

## Why Is It Important?

Ask yourself why it's significant and whether or not you agree

## What Don't I See?

Is there anything important missing?

## How Do I Know?

Ask yourself where the information came from and how it was constructed

## Who Is Saying It?

What's the position of the speaker and what is influencing them?

If only time were
